Accessibility Conformance Report

WCAG Edition

(Based on VPAT® Version 2.5Rev)

Name of Product/Version: Wowbrary

Report Date: January 2, 2026

Product Description: This document covers Wowbrary online newsletters, public Wowbrary webpages, Wowbrary widgets, social posts, and curated list link clouds. It does not include administration pages used by libraries to customize and monitor Wowbrary.

Contact Information: info@wowbrary.org

Notes: Wowbrary allows libraries to make many customizations. With default settings, Wowbrary conforms to criteria as described in this document. Criteria that may be subject to customizations are detailed in the tables below. Libraries adding customizations should be mindful that they should adhere to accessibility guidelines. The following are commonly customized, but this is not an exhaustive list of customizable options.

- menu colors
- banner colors

- banner images and hot spots
- text size, text color, links, and images in news items and reviews
- side art
- widget text, text color, background colors, heading styles, tab design, motion, and styling
- curated list hyperlink clouds

Evaluation Methods Used:

A combination of manual testing and automated tools were used.
